

KEEPING YOUR EQUIPMENT FIT AT ALL TIMES

Atlas Copco's Worry Free Warranty Program

Compressor	Standard Warranty (includes parts, labor, and travel) (1W)	Extended Warranty (parts only) (2W)
CRI/CRP (LS/ LP)	1 year bumper-to-bumper	Additional 4 years on Compressor Cast Iron Pump
CRC (AR)	1 year bumper-to-bumper	Additional 1 year
LE/LT/LF/LZ/LB/LFx	1 year bumper-to-bumper, limited to 2000 run hours	Not available
G/GX/GA 2-30	1 year bumper-to-bumper	Additional 3 years on the Drive Train
GA7 -110 VSD(+)	2 years on drive train	Additional 4 years on the cooler
G/GA30+ thru G/GA90	2 years on the VSD (where fitted)	Additional 4 years on the receiver
		Additional 3 years on the VSD (where fitted)
		Additional 4 years on the internal dryer (where fitted)*
G/GA90+ thru G/GA315 VSD	1 year bumper-to-bumper	Additional 3 years on the Drive Train
	2 years on Drive Train	Additional 4 years on the cooler
	2 years on the VSD (where fitted)	Additional 3 years on the VSD (where fitted)
GA315 to GA500	1 year bumper-to-bumper	
	2 years on the drive train	Additional 3 years on the air end
SF	1 year bumper-to-bumper limited to 5,000 hours on the element	Not available
AQ	1 year bumper-to-bumper	
	2 years on the drive train	
	2 years on the VSD (where fitted)	Not available
Compressor	Standard Warranty (includes parts, labor, and travel) (1W)	Extended Warranty (parts only) (2W)
Z15-900 (VSD)	1 year bumper-to-bumper	
ZE/ZA	2 years on the motor and gearbox	
	5 years on the air end	Not Available
	2 years on the VSD (where fitted)	
	2 years on the desiccant rotor (where fitted)	Additional 3 years on any replacement rotor (parts only)**
Z90-160VSD+	1 year bumper-to-bumper	Not Available
	5 year drive train	
	2 years on the VSD (where fitted)	
	2 years on the desiccant rotor (where fitted)	Additional 3 years on any replacement rotor (parts only)**
GR110-200	1 year bumper-to-bumper	
	2 years on the drive train	Not Available
GAR	1 year bumper-to-bumper	
	2 years on drive train	Not available
Compressor	Standard Warranty (includes parts, labor, and travel) (1W)	Extended Warranty (parts only) (2W)
Crepelle	1 year bumper-to-bumper	
	2 years on drive train	Not Available
	2 years on the VSD	
Vacuum Pumps	Standard Warranty (includes parts, labor, and travel) (1W)	Extended Warranty (parts only) (2W)
Custom Vacuum Packages	1 year bumper-to-bumper	Not available
GVS/A 10-630/GVD/ZRS/DRB/GLS/DZS/DHS and AW Liquid Ring Pumps	1 year bumper-to-bumper	Not available
AW Vacuum Systems	1 year bumper-to-bumper	Not available
	1 year bumper-to-bumper	additional 3 years on the motor
	2 years on drive train	additional 3 years on air end
	2 years on the VSD	additional 3 years on the VSD
		additional 4 years on the discharge separator
		additional 4 years on the cooler

Compressor	Standard Warranty (includes parts, labor, and travel) (1W)	Extended Warranty (parts only) (2W)
ZM	1 year bumper-to-bumper	Not available
	1 year bumper-to-bumper	
ZS	2 years on the motor and gearbox	Not available
	5 years on the air end	
	2 year on the VSD (where fitted)	
ZB	1 year bumper-to-bumper	Not available
	2 years on drive train	
	2 years on the VSD	
ZL(VSD)	1 year bumper-to-bumper	Not available
	2 years on the drive train	
	2 year on the VSD (where fitted)	
Compressor	Standard Warranty (includes parts, labor, and travel) (1W)	Extended Warranty (parts only) (2W)
ZH	1 year bumper-to-bumper	Not Available
	2 years on the drive train	

Dryer	Standard Warranty (includes parts, labor, and travel) (1W)	Standard Warranty (includes parts, labor, and travel) (1W)
CD/AD/BD/XD/SD	1 year bumper-to bumper	Not Available
FD(5-95) FD(100-300) FX(4-270)	1 year bumper-to bumper	Additional 1 year
FD(310-1010) FX(17-22)	1 year bumper-to bumper	Additional 1 year
FD (1250-4000)	1 year bumper-to bumper	Additional 1 year
MD/ND	1 year bumper-to bumper	
	2 year on desiccant rotor	Additional 3 years on any replacement rotor (parts only)**
Filters/EWD Drains/OSC		
Filters / OSC	1 year bumper-to bumper	Not Available
Nitrogen / Oxygen Units		
NG/NGM/NGP/OGP/NGP+	1 year bumper-to bumper	Not Available

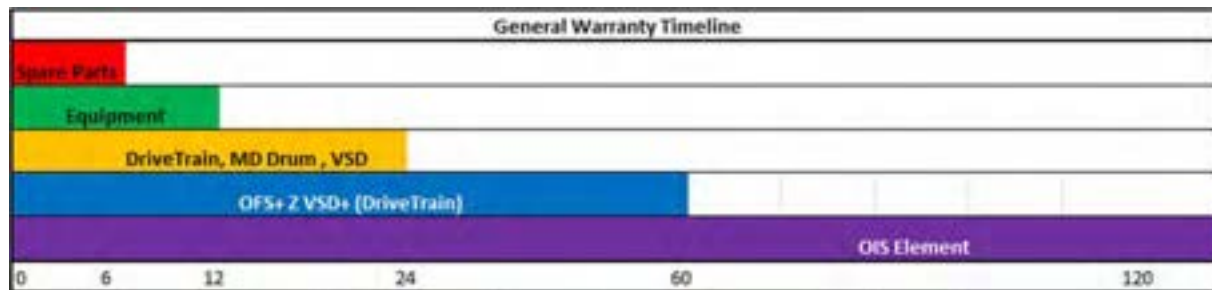

* Units shipped after 9/2016. On units shipped before 9/2016 internal dryer warranty is one year.

**Original MD Rotor is covered for 2 years under standard warranty(1W). Replacement MD rotors are covered for 2 years under spare part warranty(4W) and are eligible for an additional 3 years under extended warranty(2W).

Stated warranty periods commence at initial startup. If the startup is performed more than 3 months after shipment the warranty period will begin at 3 months from shipment. For example, if the warranty period is 12 months, and initial startup is performed 4 months after shipment, the warranty will end 15 months from shipment / 11 months from startup.

OriginAir Warranty

Compressor	Standard Warranty (includes parts, labor, and travel) (1W)	Extended Warranty (part only) (1W)
GA30+ thru GA90	6 months bumper-to-bumper	
	1 year on the drive train	Additional 18 months on the drive train
	1 year on the cooler	Additional 18 months on the cooler
	1 year on the receiver	Additional 18 months on the receiver
	1 year on the VSD (where fitted)	Additional 18 months on the VSD (where fitted)
GA90+ thru GA315	6 months bumper-to-bumper	
	1 year on the drive train	Additional 18 months on the drive train
	1 year on the cooler	Additional 18 months on the cooler
	1 year on the receiver	Additional 18 months on the receiver
SF	1 year on the VSD (where fitted)	Additional 18 months on the VSD (where fitted)
	1 month bumper-to-bumper	Not available
Z15 - 900	6 months bumper-to-bumper	Additional 18 months on the air end
	1 year on the drive train	
	1 year on VSD (where fitted)	
Compressor	Standard Warranty (includes parts, labor, and travel) (1W)	Extended Warranty (part only) (1W)
CD/AD/BD/XD	6 months bumper-to-bumper	Not available
FD/FX/SD	6 months bumper-to-bumper	Not available
MD/ND	6 months bumper-to-bumper	
	18 month on the desiccant rotor	Not available
Compressor	Standard Warranty (includes parts, labor, and travel) (1W)	Extended Warranty (part only) (1W)
GR110-200	6 months bumper-to-bumper	Not available
	1 year on the motor	
	1 year on the airend	

Spare Part Warranty (4W)

Definition: A spare part can be considered as being a part that was not originally delivered with the unit ex-factory and sold to the customer.

The warranty period for Atlas Copco spare parts is 6 months on the part and 30 days on labor/mileage (If installed by an AC Certified technician) from the date the part has been mounted on the unit, but no more than 12 months after the delivery date from the Service Centers (NSC), under the condition that the part has been subject to normal use and maintenance.

Exceptions:

Sold drive train, MD drum, or VSD has a warranty period of 2 years and requires installation by an AC Certified technician (part only).

Sold OFA screw element has a warranty period of 5 years and requires installation by an AC Certified technician (part only).

Sold SF scroll element has a warranty period of 1 year / 5000 hours and requires installation by an AC Certified technician (part only).

AirNet warranty is 10 years on the part excluding labor / miscellaneous / travel.

Sold OriginAir OIS screw element has a warranty period of 2 years and requires installation by an AC Certified technician (part only).

Standard Warranty Terms and Principles

The warranty covers defects caused by:

- Faulty design
- Faulty material
- Faulty workmanship

Conditions:

- Used for the purpose for which it is designed
 - Installed, operated, and maintained according to the instructions issued by the Product Companies and Customer Centers including all periodic services (4K, 8k, 16k,)
 - Equipment start-up must be performed by an Atlas Copco representative or an Authorized Atlas Copco Distributor.
- Start-up Exceptions: Customer, Atlas Copco, or Authorized Atlas Copco Distributor can perform start-up on GX and GA Fixed Speed Oil Injected Rotary Screw Compressors up to 15KW and on LS/LP, LE/LT/LF, AR/KT reciprocating Compressors, FD5-220 single phase dryers, FX1 to FX21dryers, CD+1-22 dryers, SD dryers, GVS/A 10 - 630/GVD/ZRS/DRB/GLS/DZS/DHS and AW liquid ring pumps and AW vacuum systems under 50HP and inline compressed air filters. On units where a customer performs start-up, any damage due to improper start-up is not covered by the warranty.

The warranty obligation does not apply if any failure may be traced back to the following causes:

- Natural wear and tear, improper handling, improper storage or mounting, inadequate protection from corrosion, use and effects of force, incorrect installation, chemical, electrical, or other harmful influences.
- If the machines delivered have been modified by a third party or as a result of the installation or the fitment of parts originating from other sources.
- If the product has been used for purposes other than those designated and agreed.
- If the product has been used under extraordinary operating conditions not specified to Atlas Copco when the order was issued.

Maintenance:

- Failures due to lack of required maintenance
- Performance of maintenance including the use of genuine Atlas Copco parts and lubricants is the responsibility of the customer/service provider
- **SPM monitoring** is required on all OIS (G/GA/GX/GR) compressors 30 KW and larger and all OFA (ZR/ZT/ZA/ZE/ZS) Compressors

– Customer/service provider must be able to provide documentation of the above

Incidental or Consequential Damages. The warranty does not cover:

- Consequential damages to the equipment/place were installed
- Economic loss including rental backup machine
- Loss of time or other inconvenience
- Damages during transport (submit claims to the carrier)
- Any other cost or expenses resulting from a defect covered by this warranty

5-Years warranty on Z elements

To qualify for a 5-year warranty on a new compressor, the user shall Purchase or have an Atlas Copco service agreement or can prove that the maintenance was executed according to the instruction book by AC-certified people. To qualify for a 5-year warranty on a sold spare part, the element should be installed by an Atlas Copco certified engineer, and the user shall Purchase or have an Atlas Copcoservice agreement or can prove that the maintenance was executed according to the instruction book by AC certified people.

5-Years warranty on Z VSD+ Drivetrain

To qualify for a 5-year warranty on a new compressor, the user shall Purchase or have an Atlas Copco service agreement or can provethat the maintenance was executed according to the instruction book by AC-certified people.

New Pro-10- Element-only Warranty. Covers years 6 through 10 for the Element only.

This program is for:

All GA+/VSD models from 5-125HP. All GA models from 150-700HP

Conditions:

- Used for the purpose for which it is designed
- Installed, operated, and maintained according to the instructions issued by the Product Companies and Customer Centers.
- Qualifying machines Must be on a Service Plan without interruption when claims are made. Service by Atlas Copco Compressors and or Authorized Atlas Copco distributor.
- Equipment start-up must be performed by an Atlas Copco representative or an Authorized Atlas Copco Distributor.

The warranty obligation does not apply if any failure may be traced back to the following causes:

- Natural wear and tear, improper handling, improper storage or mounting, inadequate protection from corrosion, use and effects of force, incorrect installation, chemical, electrical, or other harmful influences.
- If the machines delivered have been modified by a third party or as a result of the installation or the fitment of parts originating from other sources.
- If the product has been used for purposes other than those designated and agreed.
- If the product has been used under extraordinary operating conditions not specified to Atlas Copco when the order was issued.

Maintenance:

- Failures due to lack of required maintenance
- Compressor must be on a Service Plan without interruption for the duration of the 10-year period. A service plan must be in place within 90 days of start-up.
- SPM monitoring records will be required on all OIS (G/GA/) compressors up to 315KW Compressors
- All maintenance and oil simple records must be available upon request

Incidental or Consequential Damages. The warranty does not cover:

- Consequential damages to the equipment/place were installed
- Economic loss including rental backup machine
- Loss of time or other inconvenience
- Damages during transport (submit claims to the carrier)
- Any other cost or expenses resulting from a defect covered by this warranty

Warranty Terms and Conditions

CRI/CRP Compressors

Standard Compressor Warranty: Worry Free Warranty

Atlas Copco warrants to the end user that the above mentioned Atlas Copco stationary cast iron reciprocating compressor shall be free of defects in design, material and workmanship for a period of fifteen (15) months from date of shipment to purchaser, or twelve (12) months from date of initial start-up, whichever occurs first. The above offer applies except as set forth in Warranty Scope & Limitations. Failure to meet the Warranty Scope & Limitations invalidates this program.

Original Component Warranty: New Compressor Pump Installed in a Registered CRI/CRP Cast Iron Reciprocating Compressor

Atlas Copco warrants to the end user that the factory installed compressor pump for the above mentioned Atlas Copco Reciprocating Compressor shall be free of defects in design, material and workmanship for a period of sixty-three (63) months from date of shipment to purchaser, or sixty (60) months from date of initial start-up, whichever occurs first. The Compressor Pumps rings and gaskets are covered for the entire period. Suction and discharge valves are covered for the entire sixty (60) to sixty-three (63) month period provided the valves are replaced every twenty-four (24) months. Provided the customer has met the specified Extended Coverage Terms & Conditions, the above offer applies except as set forth in Warranty Scope & Limitations. Failure to meet the Extended Coverage Terms & Conditions invalidates this program.

GA & GX Compressors

Standard Compressor Warranty: Worry Free Warranty

Atlas Copco warrants to the end user that the above mentioned Atlas Copco Stationary compressor shall be free of defects in design, material, and workmanship for a period of fifteen (15) months from date of shipment to purchaser, or twelve (12) months from date of initial start-up, whichever occurs first. Additionally, the air end (element), motor, and variable speed drive are fully covered for a further twelve (12) months. The above offer applies except as set forth in Warranty Scope & Limitations. Failure to meet the Warranty Scope & Limitations invalidates the program.

Original Component Warranty: New Main Drive Motor Installed in Registered Oil Injected Screw Compressor (GA<315 Only)

Atlas Copco warrants to the end user that the factory installed motor for the above mentioned Atlas Copco stationary compressor shall be free of defects in design, material and workmanship for a period of sixty-three (63) months from date of shipment to purchaser, or sixty (60) months from date of initial start-up, whichever occurs first. Provided the customer has met the specified Extended Coverage Terms & Conditions, the above offer applies except as set forth in Warranty Scope & Limitations. Failure to meet the Warranty Scope & Limitations invalidates this program.

Original Component Warranty: New VSD Installed in Registered Oil Injected Rotary Screw Compressor (GA<=315 Only)

Atlas Copco warrants to the end user that the factory installed VSD for the above mentioned Atlas Copco stationary compressor shall be free of defects in design, material and workmanship for a period of sixty-three (63) months from date of shipment to purchaser, or sixty (60) months from date of initial start-up, whichever occurs first. Provided the customer has met the specified Extended Coverage Terms & Conditions, the above offer applies except as set forth in Warranty Scope & Limitations. Failure to meet the Extended Coverage Terms & Conditions invalidates this program.

Original Component Warranty: New Element Warranty Installed in Registered Oil Injected Rotary Screw Compressor

Atlas Copco warrants to the end user that the oil injected screw element for the above mentioned Atlas Copco stationary oil injected rotary screw compressor shall be free of defects in design, material and workmanship for a period of sixty-three (63) months from date of shipment to purchaser, or sixty (60) months from date of initial start-up, whichever occurs first. Provided the customer has met the specified Extended Coverage Terms & Conditions, the above offer applies except as set forth in Warranty Scope & Limitations. Failure to meet the Extended Coverage Terms & Conditions invalidates this program.

Original Component Warranty: New Cooler Installed in Registered Oil Injected Rotary Screw Compressor (GA<315 Only)

Atlas Copco warrants to the end user that factory installed cooler for the above mentioned Atlas Copco stationary compressor shall be free of defects in design, material and workmanship for a period of sixty-three (63) months from date of shipment to purchaser, or sixty (60) months from date of initial start-up, whichever occurs first. Provided the customer has met the specified Extended Coverage Terms & Conditions, the above offer applies except as set forth in Warranty Scope & Limitations. Failure to meet the Extended Coverage Terms & Conditions invalidates this program.

Original Component Warranty: New Gearbox Installed in Registered Oil Injected Rotary Screw Compressor (GA<315 Only)

Atlas Copco warrants to the end user that the factor installed gearbox for the above mentioned Atlas Copco stationary compressor shall be free of defects in design, material and workmanship for a period of sixty-three (63) months from date of shipment to purchaser, or sixty (60) months from date of initial start-up, whichever occurs first. Provided the customer has met the specified Extended Coverage Terms & Conditions, the above offer applies except as set forth in Warranty Scope & Limitations. Failure to meet the Extended Coverage Terms & Conditions invalidates this program.

Original Component Warranty: New Separator Tank Installed in Registered Oil Injected Rotary Screw Compressor (GA<=90 Only)

Atlas Copco warrants to the end user that the factory installed separator tank for the above mentioned Atlas Copco stationary compressor shall be free of defects in design, material and workmanship for a period of sixty-three (63) months from date of shipment to purchaser, or sixty (60) months from date of initial start-up, whichever occurs first. Provided the customer has met the specified Extended Coverage Terms & Conditions, the above offer applies except as set forth in Warranty Scope & Limitations. Failure to meet the Warranty Scope & Limitations invalidates this program.

Z55-Z900 Oil Free Rotary Screw Compressors

Standard Compressor Warranty: Worry Free Warranty

Atlas Copco warrants to the end user that the above mentioned Atlas Copco stationary oil-free rotary screw compressor shall be free of defects in design, material and workmanship for a period of fifteen (15) months from date of shipment to purchaser, or twelve (12) months from date of initial start-up, whichever occurs first. Additionally, the air end (element), motor, and variable speed drive are fully covered for a further twelve (12) months. The above offer applies except as set forth in Warranty Scope & Limitations. Failure to meet the Warranty Scope & Limitations invalidates this program.

Original Component Warranty: Element Warranty for Registered Z55-Z900 Series or Z55-Z900 Series VSD Compressor

Atlas Copco warrants to the end user that the oil-free rotary screw compression element for the above mentioned Atlas Copco stationary oil-free compressor shall be free of defects in design, material and workmanship for a period of sixty-three (63) months from date of shipment to purchaser, or sixty (60) months from date of initial start-up, whichever occurs first. Provided the customer has met the specified Extended Coverage Terms & Conditions, the above offer applies except as set forth in Warranty Scope & Limitations. Failure to meet the Extended Coverage Terms & Conditions invalidates this program.

Z15-Z55 Oil Free Rotary Tooth Compressors

Standard Compressor Warranty: Worry Free Warranty

Atlas Copco warrants to the end user that the above mentioned Atlas Copco stationary oil-free rotary tooth compressor shall be free of defects in design, material and workmanship for a period of fifteen (15) months from date of shipment to purchaser, or twelve (12) months from date of initial start-up, whichever occurs first. Additionally, the air end (element), motor, and variable speed drive are fully covered for a further twelve (12) months. The above offer applies except as set forth in Warranty Scope & Limitations. Failure to meet the Warranty Scope & Limitations invalidates this program.

Original Component Warranty: Element Warranty for Registered Z15-Z45 Series or Z15-Z55 Series VSD Compressor

Atlas Copco warrants to the end user that the oil-free rotary tooth compression element for the above mentioned Atlas Copco stationary oil-free compressor shall be free of defects in design, material and workmanship for a period of sixty-three (63) months from date of shipment to purchaser, or sixty (60) months from date of initial start-up, whichever occurs first. Provided the customer has met the specified Extended Coverage Terms & Conditions, the above offer applies except as set forth in Warranty Scope & Limitations. Failure to meet the Extended Coverage Terms & Conditions invalidates this program.

ZH Oil Free Centrifugal Compressors

Standard Compressor Warranty: Worry Free Warranty

Atlas Copco warrants to the end user that the above mentioned Atlas Copco stationary oil-free ZH centrifugal compressor shall be free of defects in design, material and workmanship for a period of fifteen (15) months from date of shipment to purchaser, or twelve (12) months from date of initial start-up, whichever occurs first. Additionally, the air end (element), motor, and variable speed drive are fully covered for a further twelve (12) months. Failure to meet the Warranty Scope & Limitations invalidates this program.

ZS Blowers

Standard Blower Warranty: Worry Free Warranty

Atlas Copco warrants to the end user that the above mentioned Atlas Copco ZS blowers shall be free of defects in design, material and workmanship for a period of fifteen (15) months from date of shipment to purchaser, or twelve (12) months from date of initial start-up, whichever occurs first. Additionally, the air end (element), motor, and variable speed drive are fully covered for a further twelve (12) months. Failure to meet the Warranty Scope & Limitations invalidates this program.

Original Component Warranty: Element Warranty for Registered ZS Blower

Atlas Copco warrants to the end user that the blower element for the above mentioned Atlas Copco stationary blower shall be free of defects in design, material and workmanship for a period of sixty-three (63) months from date of shipment to purchaser, or sixty (60) months from date of initial start-up, whichever occurs first. Provided the customer has met the specified Extended Coverage Terms & Conditions, the above offer applies except as set forth in Warranty Scope & Limitations. Failure to meet the Extended Coverage Terms & Conditions invalidates this program.

ZB Blowers

Standard Blower Warranty: Worry Free Warranty

Atlas Copco warrants to the end user that the above mentioned Atlas Copco ZB blowers shall be free of defects in design, material and workmanship for a period of fifteen (15) months from date of shipment to purchaser, or twelve (12) months from date of initial start-up, whichever occurs first. Additionally, the air end (element), motor, and variable speed drive are fully covered for a further twelve (12) months. Failure to meet the Warranty Scope & Limitations invalidates this program.

ZM Blowers

Standard Blower Warranty: Worry Free Warranty

Atlas Copco warrants to the end user that the above mentioned Atlas Copco ZB/ZM blowers shall be free of defects in design, material and workmanship for a period of fifteen (15) months from date of shipment to purchaser, or twelve (12) months from date of initial start-up, whichever occurs first. Failure to meet the Warranty Scope & Limitations invalidates this program.

Crepelle High Pressure Compressors

Standard Compressor Warranty: Worry Free Warranty

Atlas Copco warrants to the end user that the above mentioned Atlas Copco high pressure compressors shall be free of defects in design, material and workmanship for a period of fifteen (15) months from date of shipment to purchaser, or twelve (12) months from date of initial start-up, whichever occurs first. Additionally, the air end (element), motor, and variable speed drive are fully covered for a further twelve (12) months. Failure to meet the Warranty Scope & Limitations invalidates this program.

Custom Vacuum Packages and GVS/GVSA/GVD/ZRS/DRB/GLS/DZS/DHS/AW Vacuum Systems

Standard Vacuum Pump Warranty: Worry Free Warranty

Atlas Copco warrants to the end user that the above mentioned Atlas Copco vacuum pumps shall be free of defects in design, material and workmanship for a period of fifteen (15) months from date of shipment to purchaser, or twelve (12) months from date of initial start-up, whichever occurs first. Failure to meet the Warranty Scope & Limitations invalidates this program.

GHSVSD+ Rotary Screw Vacuum Pumps

Standard Rotary Screw Vacuum Pumps: Worry Free Warranty

Atlas Copco warrants to the end user that the above mentioned Atlas Copco Rotary Screw Vacuum Pumps shall be free of defects in design, material, and workmanship for a period of fifteen (15) months from date of shipment to purchaser, or twelve (12) months from date of initial start-up, whichever occurs first. Additionally, the air end (element), motor, and variable speed drive are fully covered for a further twelve (12) months. The above offer applies except as set forth in Warranty Scope & Limitations. Failure to meet the Warranty Scope & Limitations invalidates the program.

Original Component Warranty: New Main Drive Motor Installed in Registered Rotary Screw Vacuum Pumps

Atlas Copco warrants to the end user that the factory installed motor for the above mentioned Atlas Copco Rotary Screw Vacuum Pumps shall be free of defects in design, material and workmanship for a period of sixty-three (63) months from date of shipment to purchaser, or sixty (60) months from date of initial start-up, whichever occurs first. Provided the customer has met the specified Extended Coverage Terms & Conditions, the above offer applies except as set forth in Warranty Scope & Limitations. Failure to meet the Warranty Scope & Limitations invalidates this program.

Original Component Warranty: New VSD Installed in Registered Rotary Screw Vacuum Pumps

Atlas Copco warrants to the end user that the factory installed VSD for the above mentioned Atlas Copco Rotary Screw Vacuum Pumps shall be free of defects in design, material and workmanship for a period of sixty-three (63) months from date of shipment to purchaser, or sixty (60) months from date of initial start-up, whichever occurs first. Provided the customer has met the specified Extended Coverage Terms & Conditions, the above offer applies except as set forth in Warranty Scope & Limitations. Failure to meet the Extended Coverage Terms & Conditions invalidates this program.

Original Component Warranty: New Element Warranty Installed in Registered Rotary Screw Vacuum Pumps

Atlas Copco warrants to the end user that the oil injected screw element for the above mentioned Atlas Copco Rotary Screw Vacuum Pumps shall be free of defects in design, material and workmanship for a period of sixty-three (63) months from date of shipment to purchaser, or sixty (60) months from date of initial start-up, whichever occurs first. Provided the customer has met the specified Extended Coverage Terms & Conditions, the above offer applies except as set forth in Warranty Scope & Limitations. Failure to meet the Extended Coverage Terms & Conditions invalidates this program.

Original Component Warranty: New Cooler Installed in Registered Rotary Screw Vacuum Pumps

Atlas Copco warrants to the end user that factory installed cooler for the above mentioned Atlas Copco Rotary Screw Vacuum Pumps shall be free of defects in design, material and workmanship for a period of sixty-three (63) months from date of shipment to purchaser, or sixty (60) months from date of initial start-up, whichever occurs first. Provided the customer has met the specified Extended Coverage Terms & Conditions, the above offer applies except as set forth in Warranty Scope & Limitations. Failure to meet the Extended Coverage Terms & Conditions invalidates this program.

Original Component Warranty: New Separator Tank Installed in Registered Rotary Screw Vacuum Pumps

Atlas Copco warrants to the end user that the factory installed separator tank for the above mentioned Atlas Copco Rotary Screw Vacuum Pumps shall be free of defects in design, material and workmanship for a period of sixty-three (63) months from date of shipment to purchaser, or sixty (60) months from date of initial start-up, whichever occurs first. Provided the customer has met the specified Extended Coverage Terms & Conditions, the above offer applies except as set forth in Warranty Scope & Limitations. Failure to meet the Warranty Scope & Limitations invalidates this program.

OriginAir Compressors

Standard Compressor Warranty: Worry Free Warranty

Atlas Copco warrants to the end user that the above mentioned Atlas Copco OriginAir compressors shall be free of defects in design, material and workmanship for a period of nine (9) months from date of shipment to purchaser, or six (6) months from date of initial start-up, whichever occurs first. Failure to meet the Warranty Scope & Limitations invalidates this program.

CD/AD/BD/XD Desiccant Air Dryers

Standard Compressor Warranty: Worry Free Warranty

Atlas Copco warrants to the end user that the above mentioned Atlas Copco CD/AD/BD/XD Desiccant Air Dryers shall be free of defects in design, material and workmanship for a period of fifteen (15) months from date of shipment to purchaser, or twelve (12) months from date of initial start-up, whichever occurs first. Failure to meet the Warranty Scope & Limitations invalidates this program.

FD5-1010 Refrigerated Compressed Air Dryers

Standard Compressor Warranty: Worry Free Warranty

Atlas Copco warrants to the end user that the above mentioned Atlas Copco FD Refrigerated Compressed Air Dryers shall be free of defects in design, material and Workmanship for a period of fifteen (15) months from date of shipment to purchaser, or twelve (12) months from date of initial start-up, whichever occurs first. Failure to meet the Warranty Scope & Limitations invalidates this program.

FD1250-4000 Refrigerated Compressed Air Dryers

Standard Compressor Warranty: Worry Free Warranty

Atlas Copco warrants to the end user that the above mentioned Atlas Copco FD Refrigerated Compressed Air Dryers shall be free of defects in design, material and Workmanship for a period of fifteen (15) months from date of shipment to purchaser, or twelve (12) months from date of initial start-up, whichever occurs first. Failure to meet the Warranty Scope & Limitations invalidates this program.

FX Refrigerated Compressed Air Dryers

Standard Compressor Warranty: Worry Free Warranty

Atlas Copco warrants to the end user that the above mentioned Atlas Copco FX Refrigerated Compressed Air Dryers shall be free of defects in design, material and workmanship for a period of fifteen (15) months from date of shipment to purchaser, or twelve (12) months from date of initial start-up, whichever occurs first. Failure to meet the Warranty Scope & Limitations invalidates this program.

SD Membrane Compressed Air Dryers

Standard Compressor Warranty: Worry Free Warranty

Atlas Copco warrants to the end user that the above mentioned Atlas Copco SD Membrane Compressed Air Dryers shall be free of defects in design, material and workmanship for a period of fifteen (15) months from date of shipment to purchaser, or twelve (12) months from date of initial start-up, whichever occurs first. Failure to meet the Warranty Scope & Limitations invalidates this program.

MD/IMD Compressed Air Dryers

Standard Compressor Warranty: Worry Free Warranty

Atlas Copco warrants to the end user that the above mentioned Atlas Copco MD/ID Compressed Air Dryers shall be free of defects in design, material and workmanship for a period of fifteen (15) months from date of shipment to purchaser, or twelve (12) months from date of initial start-up, whichever occurs first. Failure to meet the Warranty Scope & Limitations invalidates this program.

Original Component Warranty: New MD Rotor installed in Registered MD/IMD Compressed Air Dryer

Atlas Copco warrants to the end user that the factory installed MD Rotor for the above mentioned Atlas Copco MD/IMD Compressed Air Dryer shall be free of defects in design, material and workmanship for a period of twenty-seven (27) months from date of shipment to purchaser, or twenty-four (24) months from date of initial start-up, whichever occurs first. Failure to meet the Warranty Scope & Limitations invalidates this program.

Nitrogen/Oxygen Units (NG/NGM/NGP/NGP+/OGP)

Standard Warranty: Worry Free Warranty

Provided the customer has met the specified Extended Coverage Terms & Conditions, the above offer applies except as set forth in Warranty Scope & Limitations. Failure to meet the Extended Coverage Terms & Conditions invalidates this program. New MD rotor installed by Atlas Copco or Atlas Copco Authorized distributor

OriginAir Warranty Refurbished Elements

Atlas Copco warrants to the end user that all genuine compressor elements manufactured by Atlas Copco and affiliates shall be free of defects in design, material and workmanship for a period of twenty seven (27) months from date of shipment to purchaser, or twenty four (24) months from date of element replacement and equipment start-up, whichever occurs first.

Additional Extended Coverage Terms & Conditions

1. The machine's Extended Warranty Registration Form must be submitted within thirty (30) days of start-up.
2. The equipment must be properly installed in accordance with the Atlas Copco installation proposal and instruction manuals.
3. Equipment start-up must be performed by an Atlas Copco representative or an Authorized Atlas Copco Distributor. Start-up Exceptions on compressors: Customer, Atlas Copco, or Authorized Atlas Copco Distributor can perform start-up on GX and GA Fixed Speed Oil Injected Rotary Screw Compressors up to 15KW and on LE/LT/LF, & CRI/CRP/CRC reciprocating compressors. Start-up exceptions on quality air products: Customer, Atlas Copco, or Authorized Atlas Copco Distributor can perform start-up on FD5-220 single phase dryers, FX1 to FX21 dryers, CD+1-22 dryers, SD dryers, inline compressed air filter assemblies, and ConservAir. On units where a customer does the start-up themselves any damage to equipment during start-up is not covered by the warranty.
4. A start-up report, properly completed by an authorized Atlas Copco representative or the customer must be submitted to Atlas Copco Compressors within 30 days of start-up.
5. Only genuine Atlas Copco spare parts and lubricants may be used in the equipment.
6. The equipment must be maintained in accordance with the published Atlas Copco service schedules for the duration of the extended warranty period.
7. For all machines larger than 30KW, except vacuum machines, service must be performed by Atlas Copco, an authorized distributor. For all vacuum machines service must be performed by Atlas Copco Vacuum or an authorized distributor technician.
8. Compressors: The service provider must participate in the oil analysis program and submit an oil sample for oil analysis a minimum of once per year for equipment operating 4,000 hours or below and twice per year for unit's operating above 4,000 hours. Vacuum: end users or distributors of vacuum pumps must participate in the oil analysis program and submit an oil sample for analysis on a regular basis as outlined in the instruction book. Oil sample frequency is dependent on product type and application. For harsh environments and Food Grade Oil applications more frequent oil sampling is required. In no situation will the oil sample period be less than 500 hours.
9. All machines larger than 30KW, except vacuum units, must be under a parts only service contract as a minimum, either through Atlas Copco or an authorized distributor.
10. All claims must be filed in a timely manner; 30 days is considered normal.
11. The service provider must keep records of all spare parts purchases for machines not on contract, as well as scheduled maintenance, and oil analysis. The following records will be required for any claim within the specified Extended Warranty Period:
 - Copy of an Extended Warranty Registration Form
 - Copy of start-up report
 - Copies of all maintenance records and SPM logs for the equipment
 - Proof of purchase of genuine Atlas Copco spare parts and lubricants if not on contract
 - Copies of all oil analysis reports.

Warranty Limitations

For Atlas Copco equipment eligible for and replaced under the agreed warranty, the new component (replacement part) warranty period is equal to that remaining on the item replaced. As an example, a defective cooler is replaced at 3 years on a GA compressor covered under a 5 year warranty. The warranty remaining is 2 years.

For any compressed air equipment in this product range not commissioned by an authorized Atlas Copco service provider, the product is sold AS IS and with no representation or warranty whatsoever. Warranty is excluded when the product is misused or neglected, which includes the ingestion of corrosive, erosive, or explosive liquids or gases. In addition, on vacuum machines problems caused by customer process failures or upsets and inadequate inlet protection are excluded from the warranty. Should any failure to conform with this warranty appear prior to or after shipment of the product to the customer during the specified periods under normal and proper use and provided the product has been properly stored, installed and maintained by the customer.

Atlas Copco shall, if given prompt notice by the authorized selling agent, repair or replace, F.O.B. Atlas Copco warehouse, the non-conforming product or authorize repair or replacement by the service provider. Replaced products and parts become the property of Atlas Copco.

Warranty Scope

The Atlas Copco warranty does not extend to products not manufactured by Atlas Copco or affiliates. As to such products, the selling agent shall be entitled to proceed only upon the terms of that manufacturer's warranty. The Atlas Copco warranty does not apply to defects in material provided by the selling agent to design stipulated by the selling agent. Any services performed by Atlas Copco in connection with the sale, installation, servicing or repair of a product are warranted to be performed in a workmanlike manner. If any nonconformity with this warranty appears within thirty (30) days after the services are performed, the exclusive obligation of Atlas Copco shall be to re-perform the services in a conforming manner.
